Carrier acceptance confirms agreement to transport this shipment as tendered and to notify the broker immediately of delays, exceptions, cargo issues, or appointment changes. Carrier must submit invoice, signed POD, and all required receipts before payment processing. Standard payment terms apply unless otherwise agreed in writing. Required documents include signed BOL/POD, lumper receipts, scale tickets when applicable, and any shipment-specific documents requested by the broker. Accessorial charges require broker approval before they are incurred. Detention, layover, truck ordered not used, and similar charges must be documented. This tender may be voided or revised by the broker before carrier acceptance. Any changes after acceptance must be confirmed in writing. By signing electronically, the signer confirms they are authorized to accept this load tender on behalf of the carrier and agrees that the electronic signature has the same effect as a handwritten signature. Rate includes all accessorial charges, stop-offs, loading/unloading fees, fuel surcharge, detention, and lumper fees unless approved in writing by broker before charges are incurred. Carrier must provide all required paperwork before payment processing.
